BACKGROUND

Events Leading to the Proposals

This section contains a summary of the events leading to the Proposals. For additional information, see the Issuer’s consolidated financial statements as of and for the year ended 31 December 2020 and the Issuer’s interim report as of and for the six-months ended on 30 June 2021, which are incorporated by reference and shall form part of this Notice (see “*General – Incorporation by Reference*”).

The Polcevera Bridge Collapse and procedure for the assessment of the Issuer’s alleged serious breach of the Single Concession Contract

A section of the Polcevera bridge in Genoa on the A10 motorway collapsed on 14 August 2018, causing the death of 43 people (the “**Polcevera Bridge Collapse**”). The causes of such tragic incident are yet to be identified at the date of this Notice.

Following the Polcevera Bridge Collapse, in a letter dated 16 August 2018 the Italian Ministry of Sustainable Infrastructure and Mobility (the “**Concession Grantor**” or the “**MIMS**”) initiated a procedure (the “**Procedure**”) alleging a serious breach by ASPI of the concession agreement (the “**Single Concession Contract**”) entered into on 12 October 2007 between ASPI and ANAS S.p.A. (subsequently replaced by the MIMS) which governs the concession held by ASPI to operate a section of the Italian toll motorway network (the “**Autostrade Italia Concession**”), as approved by Law No. 101/2008, as from time to time amended and supplemented.

The Issuer and the Concession Grantor clarified their respective positions with respect to the Procedure, although no agreement was reached between the parties and a number of legal proceedings were started by the Issuer in connection with, *inter alia*, the entry into force, following the Polcevera Bridge Collapse, of Law Decree 162 of 30 December 2019 (the “**Milleproroghe Decree**”), the failure to approve tariff increases and the Italian Transport Regulatory Authority’s tariff calculation decisions.

In addition, the Polcevera Bridge Collapse has resulted in criminal action before the Court of Genoa against several parties, including executives and employees of ASPI located at ASPI’s headquarters in Rome and the relevant area office in Genoa, as well as ASPI itself under Legislative Decree 231/2001. Pre-trial hearings were held at the beginning of 2021, which discussed the technical report on the causes of the collapse prepared by the technical experts appointed by the preliminary investigating magistrate, which was filed with the court on 21 December 2020. On 20 July 2021, the preliminary hearing judge (*GUP*) notified the parties of the request for indictment raised against the Issuer and the defendants in the criminal proceeding. At the preliminary hearing which started on 15 October 2021, certain defendants requested the removal (*ricusazione*) of the preliminary hearing judge (*GUP*); the Court of Appeal will hear the removal request at a hearing scheduled for 3 November 2021. The next hearing of the criminal proceeding is scheduled on 8 November 2021 to discuss the admissibility of the requests to intervene in the proceeding as civil parties filed by certain parties, including the Prime Minister’s Office and the MIMS

Discussions relating to the settlement of outstanding issues between ASPI, the Italian Government, the Concession Grantor and the Italian Ministry of Economy and Finance with respect to the Autostrade Italia Concession

Despite ASPI’s belief that the Procedure was groundless, on 14 July 2020 ASPI and Atlantia sent a joint letter to the Italian Government. Such letter expressed Atlantia’s willingness, *inter alia*, to proceed with the disposal of its entire stake in ASPI to a state-owned entity (Cassa Depositi e Prestiti S.p.A., “**CDP**”). The proposed disposal was subject to the agreement on the conclusion of the Procedure, which needed to include the definition of ASPI’s regulatory and tariff framework, through the execution of a new addendum (the “**Addendum**”) to the Single Concession Contract, including a new Economic and Financial Plan (“**EFP**”). In response, on 15 July 2020, the Italian Government announced that, in view of the proposed settlement, it “*has decided to begin the settlement process as provided for by law, without prejudice to the fact that the right to revoke the concession will only be waived once the settlement agreement has been finalised*”.

Following such announcement:

- Atlantia has started a process for the disposal of its shareholding in ASPI, including through discussions with the consortium comprising CDP Equity S.p.A. (a subsidiary of CDP), Blackstone and Macquarie. The Consortium made several non-binding and binding offers from October 2020 to March 2021;
- ASPI and the Concession Grantor discussed the terms of a settlement agreement for the closure of the Procedure (the “**Settlement Agreement**”), which included the Addendum. In addition, ASPI prepared revised versions of the EFP.

Atlantia’s acceptance of the Consortium’s offer dated 29 April 2021

Following discussions between the Consortium and Atlantia on the terms of the latest binding offer, on 29 April 2021 the Consortium submitted a new binding offer (the “**Offer**”) for the purchase of Atlantia’s stake in ASPI with improved legal and economic terms. In particular, the Offer set a price for the entire

share capital of ASPI of €9.1 billion.

In addition to the offered price, Atlantia would be entitled to a ticking fee accruing from 1 January 2021 to the date of completion of the disposal and an earn-out mechanism which takes into account the possible recovery of the reduction in traffic deriving from the Covid-19 pandemic.

The board of directors of Atlantia considered the Offer, taking into account the alternative scenarios likely to happen in the event of non-acceptance of the Offer, including the fact that the MIMS has confirmed on 26 March 2021 that the disposal of the stake held in ASPI was a condition to the MIMS entering into the Settlement Agreement with ASPI. As a result of such consideration, on 30 April 2021 the board of directors of Atlantia convened a shareholders' meeting to resolve upon the Offer. On 31 May 2021, the shareholders' meeting of Atlantia approved the Offer.

The Offer was then approved by the board of directors of Atlantia and, on 11 June 2021 Atlantia entered into a share purchase agreement (as may be amended and supplemented from time to time, the "SPA") for the disposal of its entire shareholding held in ASPI (the "**Disposal**") with the Consortium.

A summary of the terms of the SPA is annexed to Atlantia's board of directors' report published in connection with the shareholders' meeting held on 31 May 2021. See "*Incorporation by Reference and Documents Available for Consultation*".

Settlement Agreement, EFP and Addendum

On 14 October 2021, the Issuer and the MIMS entered into the Settlement Agreement providing for the closure of the Procedure.

The Settlement Agreement confirmed the overall €3.4 billion compensation due by the Issuer while modifying the split of the compensation in order to provide €1.4 billion for initiatives benefitting the local community in Liguria, including: (i) the construction of a tunnel under the port of Genoa and of a tunnel improving the road network in the Fontanabuona valley in the Province of Genoa; (ii) delivery of mobility, logistics and digital projects in the Genoa area; (iii) initiatives benefitting the port of Genoa; and (iv) compensation payable to residents of the properties located beneath the Bisagno Viaduct (located in Genoa). The amendments to the destination of the €3.4 billion compensation will be reflected in an updated EFP to be submitted for approval to the MIMS.

For additional information, see the press release entitled "*Settlement Agreement signed by ASPI and Ministry of Infrastructure and Sustainable Mobility*" dated 15 October 2021, which is incorporated by reference in this Notice.

The effectiveness of the Settlement Agreement is subject to (i) the approval of a Ministerial Decree of the MIMS; (ii) the registration with the Italian Court of Auditors (*Corte dei Conti*) of the decree of the Italian Inter-Ministerial Committee for Economic Planning and Sustainable Development (*Comitato Interministeriale per la Programmazione Economica e lo Sviluppo Sostenibile*) approving the updated EFP and the Addendum; and (iii) the Disposal.

The updated EFP and Addendum are subject to the approval of the Italian Inter-Ministerial Committee for Economic Planning and Sustainable Development (*Comitato Interministeriale per la Programmazione Economica e lo Sviluppo Sostenibile*); following such approval and the registration thereof with the Italian Court of Auditors (*Corte dei Conti*), the Issuer and the MIMS will enter into the Addendum, to which the EFP will be annexed; the effectiveness of the Addendum and the EFP will be subject to their registration with the Italian Court of Auditors (*Corte dei Conti*).

The Conditions Precedent applicable to the Disposal

The obligation of the parties to complete the Disposal is conditional upon the following conditions precedent having been fulfilled or waived:

- (a) the effectiveness of the Settlement Agreement and the EFP, substantially in the form submitted to the MIMS for approval;
- (b) the concessions held by ASPI and other ASPI group companies being valid and effective;
- (c) clearance of the Disposal by the competent antitrust authority without remedies or conditions

 - (i) no authority having issued any measures, guidelines or opinions that may prevent execution of the Disposal in accordance with the terms set out in the SPA or, in any case, may have a negative impact on the Disposal, ASPI and/or its subsidiaries and/or the purchaser.

The conditions precedent must be fulfilled (or waived) by 31 March 2022 or by such other date to be agreed by Atlantia and the Consortium, but in any event no later than 30 June 2022.

In relation to waivers of the conditions precedent to the Disposal, the SPA provides that:

- the conditions precedent under letters (a), (b), (c), (d) and (g) may be waived solely by agreement between Atlantia and the purchaser, provided that - in relation to the condition under (a) - in the event that the approved version of the EFP is less favourable than the draft EFP agreed and annexed to the SPA, such condition precedent may be waived only by the purchaser;

Effect of the Disposal on the Notes

The completion of the Disposal and the Atlantia Guarantee Release require the consent of the holders of the Notes.

DESCRIPTION OF THE PROPOSALS

The Issuer is seeking the consent of the holders of the Notes:

- a. to release of Atlantia’s obligations as Guarantor under the Notes, the Trust Deed and the Agency Agreement (the “**Atlantia Guarantee Release**”). Atlantia issued the guarantee in respect of the Notes in 2016, in connection with the issuer substitution exercise whereby ASPI, originally the guarantor of the Notes, assumed the obligations of issuer under the Notes, and Atlantia, originally the issuer of the Notes, assumed the obligations of guarantor of the Notes; and
- b. to amend the Conditions in order to effect the Atlantia Guarantee Release, including the cancellation of Condition 10(k) (*Guarantee*);
- c. to amend Condition 10(j) (*Ownership*) to refer to the shareholding structure in place at the time of the Implementation Date; and
- d. to amend the Conditions to include technical updates to the reference to the concession held by ASPI and related definitions,

(the “**Proposals**”)

in each case with effect from the Implementation Date.

The implementation of the Proposals and the Extraordinary Resolution will occur only on the Implementation Date and will be conditional on:

- (a) the passing of the Extraordinary Resolution by the holders of the Notes;
- (b) the passing of extraordinary resolutions by the holders of all the other series of notes issued by the Issuer for which a consent is sought (such inter-conditionality being waivable at the sole discretion of the Issuer);
- (c) the Extraordinary Resolution being duly registered with the Companies’ Register of Rome, and the Supplemental Trust Deed and the Supplemental Agency Agreement in relation to the Notes in final form being signed and taking effect;

- (d) the Consent Solicitation not having been terminated; and
- (e) the quorum required for, and the requisite majority of votes cast at, the Meeting being satisfied by Eligible Noteholders, irrespective of any participation at the Meeting by Ineligible Noteholders (and would also have been so satisfied if any Ineligible Noteholders who provide confirmation only of their status as Ineligible Noteholders and waive their right to attend and vote (or be represented) at the Meeting had actually participated at the Meeting), including the satisfaction of such condition at an adjourned Meeting.

(individually or together with its affiliates as the context may require (**Blackstone**)) and 24.5% is owned by entities controlled or managed by affiliates of Macquarie Group Limited (“**Macquarie**”).

Proposed amendments to the ownership event of default of the Public Notes

Condition 10(j) (*Ownership*) of the Notes provides that an Event of Default occurs if the Issuer ceases to be directly or indirectly controlled by Atlantia.

The Issuer is proposing to amend Condition 10(j) (*Ownership*) by substituting the current clause, which requires that Atlantia maintains the control of the Issuer, with a new clause that will require that:

- HRA maintains the majority of the voting rights normally exercisable at the general meeting of shareholders of ASPI;
- no person (either alone or acting in concert with other persons) other than Cassa Depositi e Prestiti S.p.A. (“**CDP**”) or any of its controlled subsidiaries owns or acquires the majority of the voting rights normally exercisable at the general meeting of shareholders of HRA; and
- no person (either alone or acting in concert with other persons) other than CDP or any of its controlled subsidiaries is or becomes the largest holder of voting rights normally exercisable at the general meeting of shareholders of HRA.

Expected impact on ratings

The Issuer expects that the implementation of the Proposals will have a positive impact on the trend of its

corporate ratings or Notes ratings. In this respect, the Issuer confirms its target to achieve an investment grade rating status. As of the date of this Notice:

- the Issuer is rated “BB” (Positive Outlook) by S&P Global Ratings Europe Limited (“S&P”) and “BB+” (Rating Watch Positive) by Fitch Ratings Ireland Limited (“Fitch”);
- the Notes are rated “Ba3” (Outlook Positive) by Moody’s Investors Service España, S.A. (“Moody’s”), “BB” (Positive Outlook) by S&P and “BB+” (Rating Watch Positive) by Fitch.

Such credit ratings may not reflect the potential impact of all risks that may affect the value of the Notes.

In addition, S&P, Moody’s and Fitch have already issued press releases in connection with the Disposal following the approval of the Disposal by the shareholders’ meeting and the board of directors of Atlantia and the entry into the SPA and, in particular:

- (i) on 4 June 2021 Fitch placed its rating on ASPI on Rating Watch Positive;
- (ii) on 7 June 2021 Moody’s changed to positive the rating outlook on the senior unsecured EMTN programme rating of ASPI; and
- (iii) on 22 June 2021 S&P upgraded by one notch the credit rating assigned to ASPI.

Each rating agency has made reference to the approval of the Disposal by the shareholders’ meeting, the board of directors of Atlantia and the entry into the SPA (as applicable) in connection with such actions. The press releases issued by the Issuer in connection with such actions are incorporated by reference into this Notice. See “*General – Incorporation by Reference*”.

Each of Moody’s, S&P and Fitch is established and operating in the European Union and is registered under Regulation (EC) No. 1060/2009 (as amended) (the “**CRA Regulation**”). As such, Moody’s, S&P and Fitch are included in the list of credit rating agencies published by the European Securities and Markets Authority on its website (at <http://www.esma.europa.eu/page/List-registered-and-certified-CRAs>) in accordance with the CRA Regulation. **A rating is not a recommendation to buy, sell or hold securities and may be subject to revision, suspension or withdrawal at any time by the assigning rating organisation.**

Expected impact on the Issuer

The Issuer believes that the approval of the Extraordinary Resolution is expected to generate certain positive implications for its stakeholders, including the Noteholders.

In particular, the approval of the Extraordinary Resolution is a condition precedent to the completion of the Disposal. The Issuer expects that the Disposal and the entry into the Settlement Agreement will have the following positive implications for the Noteholders:

- removal of the risk of revocation of the concession held by the Issuer in connection with the Polcevera Bridge Collapse, as the Issuer and the Concession Grantor will enter into the Settlement Agreement aimed at a negotiated settlement of the procedure alleging a serious breach by ASPI of its concession agreement;
- clarity in the regulatory regime applicable to the Autostrade Italia Concession through the approval of the Addendum to the Single Concession Contract and the new economic and financial plan applicable to the Autostrade Italia Concession;
- the settlement of the on-going litigation started by the Issuer with respect to certain actions taken by the Italian Government (see “*Background*”).

CONSENT SOLICITATION AND EARLY CONSENT FEE

The Consent Solicitation is intended exclusively for Eligible Noteholders.

Subject to the terms and conditions of the Consent Solicitation (including the satisfaction of all relevant condition(s)), each Noteholder (that is not a Restricted Owner, as defined in the Consent Solicitation Memorandum) from whom a valid Consent Instruction (as defined below) in favour of the Extraordinary Resolution is received by the Tabulation Agent by the Early Voting Deadline specified in the Consent

Solicitation Memorandum (and not validly revoked) will, subject to satisfaction of the applicable condition(s), be eligible to receive payment of the Early Consent Fee, being an amount equal to 0.25 per cent. of the aggregate principal amount of the Notes that are the subject of such Consent Instruction, all as more fully described in the Consent Solicitation Memorandum.

CERTAIN RESTRICTIONS

The Notes have not been and will not be registered under the United States Securities Act of 1933, as amended or the securities laws of any state or other jurisdiction of the United States. The Notes may not be offered, sold or delivered, directly or indirectly, within the United States or to, or for the account or benefit of, “U.S. persons”, except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state or local securities laws.

Terms used in this paragraph have the meaning given to them by Regulation S under the said Securities Act.

Having regard to such requirements, Noteholders are strongly urged either to attend the Meeting or to take steps to be represented at the Meeting as soon as possible.

TRUSTEE

Neither the Trustee nor any of its directors, officers, employees or affiliates has been involved in the formulation of the Extraordinary Resolution and the Trustee expresses no opinion and makes no representation as to the merits of the Extraordinary Resolution, the Consent Solicitation or the Proposals or on whether Noteholders would be acting in their best interests in participating in the Consent Solicitation or otherwise participating in any Proposal, and nothing in the Consent Solicitation Memorandum or this Notice should be construed as a recommendation to Noteholders from the Trustee to vote in favour of, or against, the Extraordinary Resolution or to participate in the Consent Solicitation or otherwise participate in any Proposal. Noteholders should take their own independent financial and legal advice on the merits and on the consequences of voting in favour of, or against, the Extraordinary Resolution, including as to any tax consequences. The Trustee has not reviewed, nor will it be reviewing, any documents relating to the Consent Solicitation and/or the Proposals, except this Notice and the Supplemental Trust Deed. Neither the Trustee nor any of its directors, officers, employees or affiliates has verified, or assumes any responsibility for the accuracy or completeness of, any of the information concerning the Consent Solicitation, the Proposals, the Issuer or the factual statements contained in, or the effect or

effectiveness of, the Consent Solicitation Memorandum, this Notice, the Proposals or any other documents referred to in the Consent Solicitation Memorandum or assumes any responsibility for any failure by the Issuer to disclose information, facts or events that may have occurred and may affect the significance or accuracy of such information or the terms of any amendment (if any) to the Consent Solicitation or the Proposals. On the basis of the information set out in the Consent Solicitation Memorandum and this Notice, the Trustee has, however, authorised it to be stated that the Trustee has no objection to the Extraordinary Resolution being put to Noteholders for their consideration.

VOTING AND QUORUM

Only those Noteholders who hold Notes, as at the close of business of the seventh Stock Exchange Day prior to the date of the Meeting, as certified by the Paying Agent on the basis of the relevant book-entries in Euroclear Bank S.A./N.V. (“Euroclear”) or Clearstream Banking, S.A. (“Clearstream, Luxembourg”), are entitled to participate in, and vote at, the Meeting. Persons who become Noteholders thereafter will not be entitled to participate in, and vote at, the Meeting. For the purposes of this Notice, “Stock Exchange Day” means a day on which the Luxembourg Stock Exchange is open for business.

Admission of Noteholders or their representatives to the Meeting and the right to vote at such Meeting is subject to the delivery to the Issuer, by 48 hours prior to the time appointed for holding the Meeting, of a certificate issued by the Paying Agent confirming that the relevant Noteholder or its representative is entitled to vote at the Meeting on the basis of the relevant book-entries in Euroclear or Clearstream, Luxembourg, as at the end of the seventh Stock Exchange Day prior to the date of such Meeting. However, in the event that the Issuer does not receive such certification by 48 hours prior to the time appointed for holding the Meeting, the Noteholder may attend and vote at the Meeting, provided that the certification is received by the Issuer before the beginning of the Meeting.

Noteholders who have submitted and not revoked a valid Consent Instruction in respect of the Extraordinary Resolution by 5.00 p.m. (CET) on 19 November 2021 (the “Expiration Deadline”) will be deemed to have given instructions for the appointment of Lucid Issuer Services Limited (or its representative) by the Paying Agent as their proxy to vote in favour of or against the Extraordinary Resolution at the Meeting (including any adjourned Meeting) and need to take no further action to be represented at the Meeting (including any adjourned Meeting).

Noteholders who have not submitted or have submitted and subsequently revoked a Consent Instruction in respect of the Extraordinary Resolution should take note of the provisions set out below detailing how such Noteholders can attend or take steps to be represented at the Meeting. “Consent Instruction” means the electronic voting instruction submitted by the Direct Participants through the relevant Clearing System to the Tabulation Agent, instructing the Paying Agent to appoint Lucid Issuer Services Limited (or its representative) as its proxy to attend the Meeting on its behalf and stating that the vote(s) attributable to the Notes that are the subject of such electronic voting instruction should be cast in a particular way in relation to the Extraordinary Resolution (either in favour of or against the Extraordinary Resolution) and specifying whether or not such Notes are beneficially owned by a Restricted Owner.

Each person (a “beneficial owner”) who is the owner of a particular principal amount of the Notes through Euroclear, Clearstream, Luxembourg or a person who is shown in the records of Euroclear or Clearstream, Luxembourg as a holder of the Notes (a “Direct Participant”), should note that a beneficial owner will only be entitled to attend and vote at the Meeting in accordance with the procedures set out below and where a beneficial owner is not a Direct Participant it will need to make the necessary arrangements, either directly or with the intermediary through which it holds its Notes, for the Direct Participant to complete these procedures on its behalf.

- (1) The provisions governing the convening and holding of the Meeting set out in the Trust Deed are subject to the provisions of the Conditions, to the extent applicable, to the Issuer’s by-laws (*statuto*) in force from time to time and in any event, to mandatory provisions of Italian law, including (without limitation) those set out in Italian Legislative Decree No. 58/1998, as amended from time to time.

- (2) All of the Notes are represented by a global Note held by a common depository for Euroclear and/or Clearstream, Luxembourg.
- (3) A Noteholder wishing to attend and vote at the Meeting in person must produce at the Meeting a valid Voting Certificate relating to the Notes in respect of which it wishes to vote. A Noteholder may obtain a Voting Certificate in accordance with the procedures set out in paragraph (5) below.
- (4) A Noteholder not wishing to attend and vote at the Meeting in person may (a) deliver its valid Voting Certificate(s) to the person whom it wishes to attend on its behalf (a form of proxy for any such person attending on the behalf of a Noteholder is available from the Paying Agent) or (b) the Noteholder may give a Block Voting Instruction (by giving voting and blocking instructions to Euroclear or Clearstream, Luxembourg in accordance with the procedures of Euroclear or Clearstream, Luxembourg, as applicable) instructing the Paying Agent to appoint a proxy to attend and vote at the Meeting in accordance with that Noteholder instructions.
- (5) Any such Voting Certificate or Block Voting Instruction (as applicable) shall be issued by the Paying Agent in accordance with the provisions of the Trust Deed and Italian law, and the form of such Voting Certificate or Block Voting Instruction is available from the Paying Agent, whose contact details are set out below, or the intermediary with which the account of the Noteholder is held.
- (6) A Noteholder must request the relevant clearing system to block the Notes in its account and to hold the same to the order or under the control of the Paying Agent not later than 48 hours before the time appointed for holding the relevant Meeting in order to obtain Voting Certificates or give Block Voting Instructions in respect of such Meeting.
- (7) In the case of Consent Instructions such blocking instructions are part of the electronic instructions that must be given and as part of such electronic instructions each Noteholder must also specify whether or not such Notes are beneficially owned by a Restricted Owner. Notes so blocked will not be released until the earlier of:
 - (i) the conclusion of the Meeting or, in the event that the Meeting is adjourned, any adjourned Meeting; and
 - (ii) (A) in respect of Voting Certificate(s) and Block Voting Instruction(s), the surrender to the Principal Paying Agent of such Voting Certificate(s) or Block Voting Instruction(s), as applicable; or
(B) in respect of Consent Instructions, not less than 48 hours before the time for which the Meeting is convened, the notification in writing of any revocation of a Direct Participant's previous instructions to the Paying Agent and the same then being notified in writing by the Paying Agent to the Issuer at least 48 hours before the time appointed for holding the Meeting and such Notes ceasing in accordance with the procedures of the relevant Clearing System and with the agreement of the Paying Agent to be held to its order or under its control.
- (8) The quorum required for the Meeting to be validly held is one or more persons present holding Notes in definitive form, or voting certificates or being proxies and holding or representing more than one half of the aggregate principal amount of the Notes for the time being outstanding.
- (9) Every question submitted to the Meeting shall be decided in the first instance by a show of hands. A poll may be demanded (before or on the declaration of the result of the show of hands) by the Chairman, the Issuer, the Noteholders' Representative (if any) or any person present holding Notes in definitive form, or voting certificates or being proxies (whatever the amount of the Notes so held or represented by him).
- (10) At the Meeting:
 - (a) on a show of hands every person present holding Notes in definitive form, or voting certificates or being proxies shall have one vote; and
 - (b) on a poll every person present holding Notes in definitive form, or voting certificates or

being proxies shall have one vote in respect of each £1,000 in nominal amount of the Notes held or represented by such person.

Without prejudice to the obligations of the proxies named in any Block Voting Instruction, any person entitled to more than one vote need not use all his or her votes or cast all the votes to which he is entitled in the same way.

(11) The Extraordinary Resolution is passed if:

- a. in first call, one or more persons present holding Notes in definitive form, or voting certificates or being proxies and holding or representing more than one half of the aggregate principal amount of the Notes for the time being outstanding vote in favour of it;
- b. in second or further calls, one or more persons present holding Notes in definitive form, or voting certificates or being proxies and holding or representing the higher of:
 - (i) one half of the aggregate principal amount of the Notes for the time being outstanding and
 - (ii) at least two thirds of the aggregate principal amount of the Notes represented at the Meetingvote in favour of it.

If passed, the Extraordinary Resolution shall be binding on all holders of the Notes, whether present or not at the Meeting at which it is passed, whether or not voting and whether voting in favour of or against the Extraordinary Resolution.

NOTICE OF RESULTS AND NOTICE OF EXECUTION OF SUPPLEMENTAL TRUST DEED AND SUPPLEMENTAL AGENCY AGREEMENT

Notice of the result of the voting on the Extraordinary Resolution shall be published in accordance with Condition 16 (*Notices*) by the Issuer as soon as reasonably practicable after the relevant Meeting has concluded and the result of the voting is known and, in any case, within 14 days of such result being known, PROVIDED THAT the non-publication of such notice shall not invalidate the resolution.

Notice of the entry into the Supplemental Trust Deed and Supplemental Agency Agreement will be published by the Issuer as soon as reasonably practicable on or about the Implementation Date.

This notice, including any non-contractual obligations arising out of or in connection with it, shall be governed by, and construed in accordance with, English law.
